My Practice

My Practice report viewer includes the queries for Medication Reconciliation, Results Handling and Warfarin. To access these in My Practice –

- click on Tools then Report Viewer to bring up the menu on the right hand side
- Warfarin is in the clinical folder
- Medication Reconciliation and Results Handling are in the general folder
- Click on a report name to run the report. You may be prompted for parameters such as date ranges. Reports may take a few seconds to minutes to run.

Opioids query is still in development and will be available shortly.
